

# ENF Disaster Relief Program

The newly formed Embroidery Network Foundation is establishing a disaster relief program. Many families and companies within the embroidery industry are currently faced with rebuilding their lives in the aftermath of Hurricane Katrina. For example, we believe there are at least 8 members of the National Network of Embroidery Professionals that are dealing with the total loss of their homes and businesses.

Donations of any kind, from new apparel to embroidery supplies, will be greatly appreciated. Donated items will be distributed to disaster victims. Please send anything that these families can use to rebuild their lives. Cash donations will be dispersed to the disaster relief effort through organizations such as American Red Cross, Salvation Army and churches in the impacted area.

To donate to the ENF Disaster Relief Program, please include the following information with your donated materials, or cash contribution, or fill out and return the form below:
